

27-546 Add Rear camera to Jaguar/ Land Rover with Bosch 7-8" OEM head unit display

Compatibility

To be compatible the vehicle must have the MFD dual screen view system with a 7-8-inch Bosch display. There are 2 ways to check, either measure the screen diagonally across such as in picture below. Alternatively remove the OEM monitor carefully and check behind. The BOSCH logo and number 7 (highlighted below) should be displayed on the back of the monitor.

The screen should measure 7-8 inches diagonally

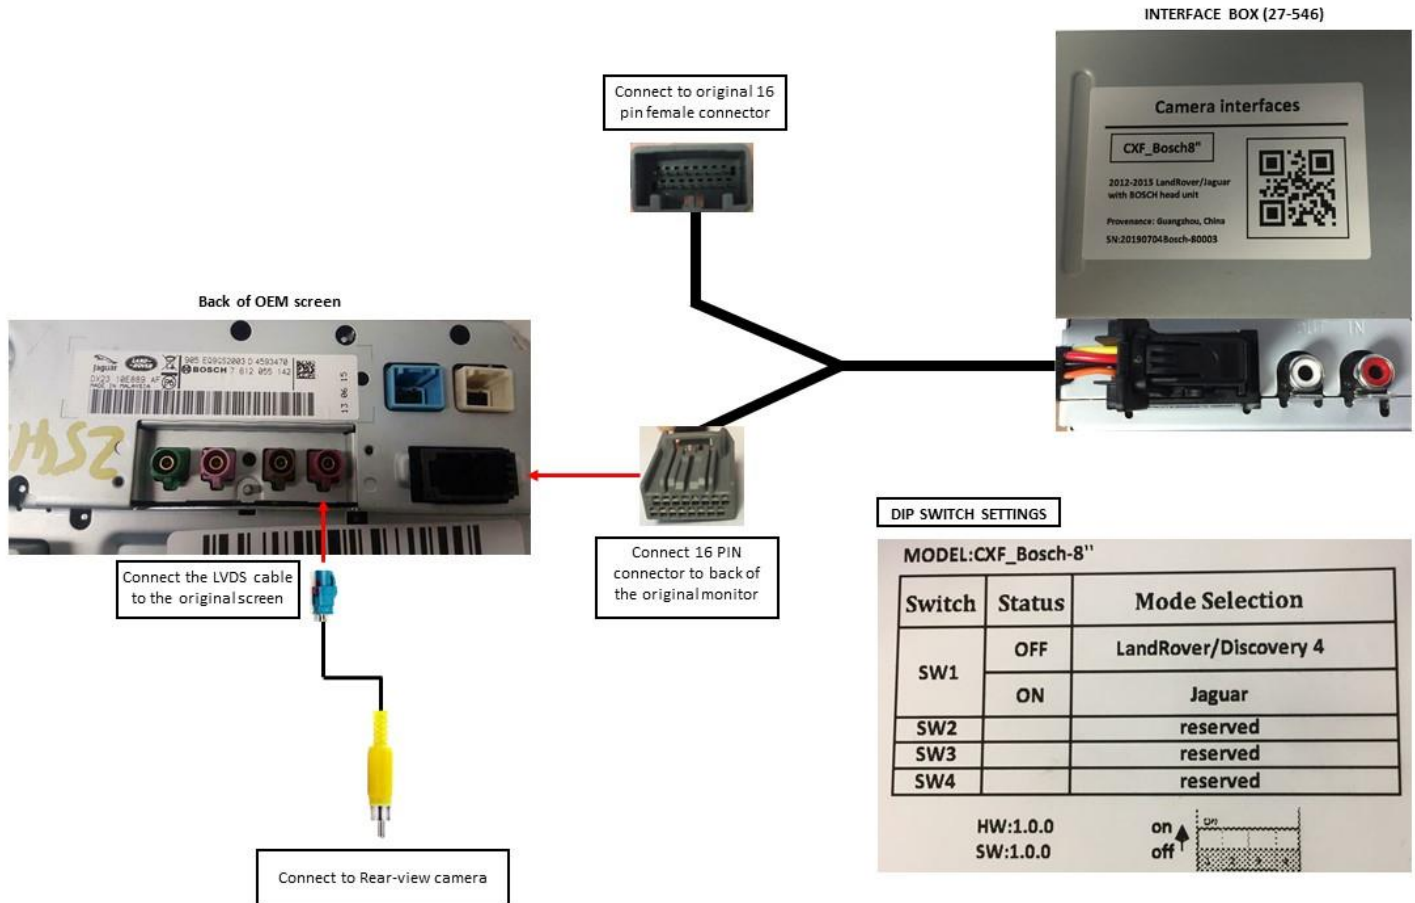

"Bosch 7" displayed on rear of the OEM monitor

- Jaguar - XE (2014 - 2018)
- Jaguar - XF (2008 - 2015)
- Jaguar - XJ (2010 - 2015)
- Landover - Discovery IV (LR4) (2009 - 2016)
- Landover - Freelander II (2006 - 2014)
- Landover - Range Rover Evoque (L538) (2011 - 2018)
- Landover - Range Rover Sport (L494) (2013 >)

Compatible Head unit examples (7-8 Inch Display)

Installation diagram

Installation Instructions

1. Switch off ignition and disconnect the vehicles battery. If stated in the factory rules that the battery has to be avoided, sometimes putting the vehicle in sleep mode is more sufficient. If this does not work, disconnect the battery with a resistor lead.
2. Connect 27-546 as shown in installation diagram
3. Set Dip switch settings as shown in diagram
