

## EX 500

### 5-CHANNEL AB / D CLASS AMPLIFIER

#### KEY STRENGTHS

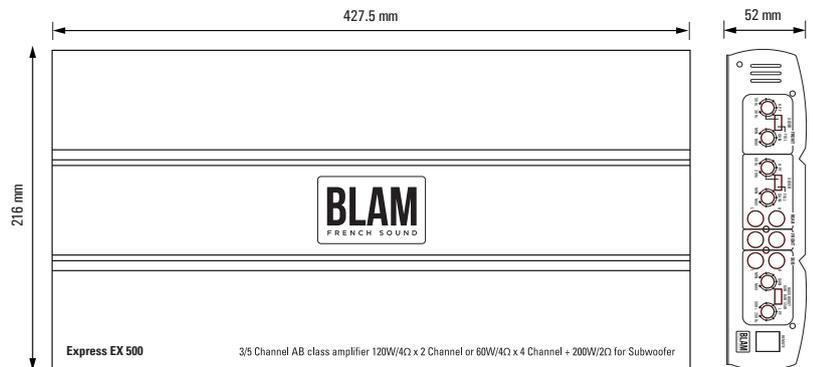

- Powerfull
- Sound quality
- Stability

Strengthen your OEM sound system with this 5-channel amplifier. Compatible with the original car radios, it generates a significant power gain that greatly improved the listening comfort even at moderate level.

Associated with the speakers EXPRESS 2 Ohms, it then allows to obtain a superb dynamic that will give life to all your favorite songs.

**EXPRESS yourself - Enjoy your trip !**
