

RELAX

CR25V

10" vented active enclosure

The CR25V is a powerful, vented 10" active subwoofer designed to enhance the bass performance of your vehicle's audio system. Delivering up to 600W max power (300W RMS), with high-level inputs, this subwoofer is compatible with most original equipment car stereos. The included wired remote lets you adjust the level for each track.

BLAM wishes you many hours of listening enjoyment !
